County Auditor

1-1-19

WAUSEON, OHIO, THURSDAY, JANUARY 20, 1921

\$1.50 PER YEAR

FIREMEN'S ANNUAL BANQUET

Members of Wauseon Fire Department and Their Guests of The Village Council enjoy Sumptuous Banquet at Avery Inn Monday Evening. Report of State Firemen's Association. Theatre Party as a Finish

The Wauseon Volunteer Fire Department enjoyed their semi-annual treat last Monday evening in the shape of a Banquet de Luxe served by "Mina Host" F. W. Avery at the Avery Inn. These banquets mark the letter days on the calendar of the Wauseon Volunteer firemen and because they are always generous and want to share their good times with others they invite His Honor the Mayor, the councilmen, City Solicitor, Clerk and Marshall to be their guests at the banquet.

Thirty-six rather than the festive board on Monday evening; twenty-eight members of the fire department and eight members of the village legislature and executive.

Following is the menu served by Mr. Avery: Oyster Cocktail, Tomato Gumbo Soup, Roast Stuffed Chicken, Cranberry Sauce, Hot Rolls, Cream, Whipped Potatoes, Baked African Pudding with Whipped Cream.

AUTO LICENSE TAGS

There may be some people in the county who do not understand that there is no appropriation or provision made by the State for the issuance of motor vehicle license tags in Ohio outside of the Automobile Registry Bureau in the office of the Secretary of State at Columbus. That office is, theoretically supposed to issue all license tags and that office will serve all who apply and forward the requisite amount of money with the license tags.

To send the tags out to various points in the State necessitates the appointment of deputies who must serve without pay from the State and who must give an acceptable bond and be responsible for all tags placed in their charge also for all moneys received for them, all of which money must be remitted to the bureau at Columbus. When this is done it is solely for the accommodation of the automobile owners of the particular village to which the tags are sent and is in no way compulsory or obligatory on the part of the State, County or municipal officers.

In communities where there are Automobile Clubs these organizations take care of the issuance of the tags and bear the incidental expense pertaining thereto.

In Fulton County for the past two years the Clerk of Court has issued the tags as an accommodation to the auto owners of the county without compensation, giving the bond required and performing the work which is of a considerable magnitude.

Those auto owners who do not care to go to the bother of writing their descriptions and mailing their money to Columbus, many of them desiring to get their auto licenses at the same time that they pay their taxes, expressed their willingness to pay a small fee for this accommodation and the county Clerk who had decided not to handle the tags this year was persuaded to render this service. The fee charged is ten cents; in adjacent counties County Clerks are charging a fee of twenty cents.

Up to the present date about 2300 license tags have been issued by Mr. Gorsuch and it is estimated that the total will reach about 2800. It has kept the Clerk and his Deputy busy and has made necessary much night work in listing and accounting for the licenses issued besides carrying the responsibility for the tags and money.

Mr. Gorsuch deserves and has the gratitude of the vast majority of auto owners of the county for the service he has so efficiently rendered.

ANNUAL MEETING OF FULTON COUNTY FARM BUREAU

The Annual Meeting of the Fulton County Farm Bureau will be held at the Court House in Wauseon on Wednesday, January 27th, beginning at 10 o'clock a. m.

At this meeting the following officers will be elected: President, Vice President, Secretary and Treasurer. A delegate will also be chosen to attend the Ohio Farm Bureau Federation meeting.

The new Constitution and by laws will be acted on and other important business will be transacted.

A good speaker will be on the program and a report of the Indianapolis Meeting of the American Farm Bureau Federation will be made by the Secretary.

Farmers, the Farm Bureau is your organization. Come to the meeting, bring your wife and take part in the business of your organization because its future depends on you.

HI BASKET BALL

Wauseon Wins From Stryker-Score 29 to 13

Casualty List of One-The Co Eds. In Preliminary Game Reds vs Blacks and The Blacks Have It.

Friday evening January 14th, a large crowd assembled at Saunders' hall to witness the basketball game between Stryker Hi and Wauseon Hi. They say in court that it is necessary to have witnesses to prove anyone guilty of first degree murder—hence the large crowd. Right here we want to thank the loyal supporters of the High School for their attendance at the last couple of games. A large number have turned out for each game.

The game started with Stryker taking the lead. A fender and a foul is what did the trick. Wauseon came right back with three field goals thereby taking the lead. Stryker never took the lead after this. The first half was fast and furious. When they began checking up on the fastness, wounds etc., Wauseon was ahead 18 to 8.

After spending about ten minutes in the communication trenches where General H. C. gave the team a few pointers on how to skirmish and then made a dead shot, the battle was renewed. The 2nd half was considerably slower than the first. The Red and White players have dropped into the rut of "letting up" during the 2nd half when they are in the lead. They must change this because a game is never won until the last whistle blows.

The half ended with Wauseon in the lead 29 to 13. Another scalp was dangling from Chief Wauseon's belt.

Short was the hard luck player of the game. He was "laid out" twice. The second time he got it in the eye and had to quit. Outcast took his place at guard. Schnall played in

Robinson's guard position the entire second half. Porter fell and hurt his arm quite badly. It bothered him a great deal and so Baldorf went in at his forward.

Friday night the team journeyed to Montpelier to play the High School team of that place. Saturday night they play a home. Bluffton High is the opponent. The night before this team plays Waite Hi of Toledo.

THE CO EDS AT IT Friday evening January 14th, two girls teams from the High School played a game as a preliminary to the Stryker game. The teams went by the code names, "The Reds" and "The Blacks."

It might be interesting to know that they were neither "Reds" nor "Blacks" but "The Reds" and "The Blacks" did play a "hardboiled" game. Lesh Germann was the captain of the "Blacks" while Lucille Hatt did the same stunt for the "Reds."

The game started as if neither team had anything to eat for a week or two. In fact you could hardly tell whether they were trying to eat the ball or throw it into the basket.

The "Blacks" got the first blood when 1st German, Viola Ruffer, got the game and dropped one for a "curfew." Not to be disgraced the "Reds" 2nd German, Ida Dennis made a basket which added two points to the "Red" side of the ledger.

The "Blacks" 2nd German, Isabelle Jennings, then got into action and made two points for the other side of the ledger. This was repeated by the 1st German and so the game ended with the "Blacks" victorious 8 to 6.

COUNCIL MEETING

The Mayor and Councilmen lingered long at the Banquet Table at the Avery Inn where they were the guests of the Wauseon Fire Department last Monday evening and in consequence Council Meeting was about an hour and a half late in beginning.

Minutes of the last regular meeting read, corrected and approved. The side walk committee made report of their action in the matter of request for removal of trees.

The Mayor announced the appointment of Frank Lea as Night Watchman for the village and the appointment was confirmed by vote of the council.

Mr. Grover Limes presented a request for grade for sidewalk on property front on Maplewood Street, the request was referred to M. S. Griffin who stated that grade would be made when Mr. Limes notified him that they were ready to lay walks.

The matter of the East Elm and East Chestnut Street improvements was taken under consideration; on examination of blue prints and specifications it was found that the engineer had failed to provide survey for outlet for storm sewer on the East Chestnut Street improvement.

The Clerk was instructed to notify Mr. Chas. the city engineer to make the necessary survey to complete the plans and specifications on this improvement at once.

By unanimous vote of the council the matter of the improvements on East Chestnut and East Elm Streets were taken from the table and Mr. Chas. was instructed to proceed to advertise for bids on these two improvements according to law.

The Council passed the usual chain ordinance and went into executive session.

FARM BUREAU CAMPAIGN

Membership To January 15th 1128

Two Days Work Will Complete Canvass of County—Membership by Townships—Township Officers and Delegates—

The total membership in the Fulton County Farm Bureau up to Saturday night January 15th, was 1128. Two solicitors will be working a part of this week to cover the remaining territory. There are two days work in Clinton, one in Pike and one in Swan-Creek for the solicitors.

MIDSHIPMAN NOMINATION

Hon. C. J. Thompson, Congressman from the 5th Ohio District advises us that he has one nomination to make to fill a vacancy for Midshipman to the Naval Academy at Annapolis, Md.

Mr. Thompson informs us that there will be two examinations this year: the first one on February 16th, 1921, and the second and last on April 20th, 1921.

Candidates who have had a sufficient schooling may qualify on certificate in lieu of entrance examination to the Bureau of Navigation, Navy Department, no later than February 2nd, 1921, in order to afford ample time to make arrangements to hold the examination and send the necessary examination questions to the point of examination.

Young men who desire to take the examination for admission to the Naval Academy at Annapolis, Md. are required to be not less than 16 nor more than 20 years of age April 1st, 1921.

Any young man interested in the above matter should communicate with Mr. Thompson at once, advising him of their intentions.

Write Hon. C. J. Thompson, Room 424, House Office Building, Washington, D. C.

WILL REPRESENT WELL ESTABLISHED FINANCIAL FIRM

Mr. F. C. Smallman has been commissioned by the Otis Company, Investment Bankers of Cleveland, as their representative in Fulton County.

The Otis Company have a record of about thirty years in the field of investment securities and have established a reputation as being the strongest firm outside of New York City in this line of financial enterprise.

The Otis Company who have heretofore dealt only in large way in guaranteed investments, securities, having the larger corporations and capitalists as their clients; are inaugurating a new policy in the sales system and are now offering the same class of guaranteed securities as before but in denominations of blocks and on terms that bring them within the reach of the small as well as the large investor.

Mr. Smallman is to be congratulated upon having formed a connection with so strong a financial organization.

When you write to correspondents in Detroit, remember that all dwellings, stores and factories in Detroit, Highland Park and Hamtramck have been razed and the new house numbers became effective January 1st, 1921. Use of the old numbers on mail for Detroit will result in delay of delivery of your mail for Detroit.

Phone your news to the Tribune.

BIG PARENT-TEACHERS MEETING MONDAY NIGHT JAN. 31st

On January 31 at 7:30 in the evening will be held the first regular meeting of the Wauseon Parent Teachers Association. There has been a good deal of interest shown in this organization for the past several weeks. On Monday evening we shall have the unusual opportunity to listen to Dr. J. P. Arp who is one of the foremost school reconstruction workers in the United States.

Dr. Arp spoke before the North Western Ohio Teachers Association at Toledo last fall and made a great impression. He is spending several weeks in North Western Ohio in the interest of the schools and will talk to our Parent Teachers Association on Monday evening. The meeting will be held in the high school auditorium and it will be unfortunate indeed if the room is not filled to overflowing.

Come out and show your interest in the educational affairs of Wauseon. Music will be furnished by the high school orchestra.

Dr. J. P. Outcalt, Pres. Mrs. Chas. Jordan, Secy. Mr. Sanders, General Sales Organization Manager of the Hinman Milling Machine Company is spending this week with Mr. D. W. Myers, Hinman Milling Distributor for Ohio and Michigan.

SOLDIERS AND SAILORS MONUMENT TO BE DEDICATED

The Board of Trustees of The Fulton County Soldiers and Sailors Monument Association have definite information to communicate to that Association which will hold its annual meeting on the Anniversary of Lincoln's Birthday, February 12th. That information will be based on the statement contained in the following letter from the firm which holds the contract for building the monument to Hon. J. M. Longnecker of Delta, president of the Association.

Dear Sir:—In response to your favor of Dec. 31st, 1920 and in accordance with other correspondence of recent date we desire to say that it is our intention to complete and erect the Fulton County Soldiers and Sailors Monument at Wauseon in time or dedication July 4th, 1921, and we are already commencing to turn out parts of the monument.

We regret that owing to war conditions the completion of this monument was delayed for several years and desire to say that now we are very glad to find ourselves in a position to comply with the original terms of the contract.

Very truly yours, (Signed) Monumental Bronze Co. W. E. Phillips, Treasurer
